

NOME JOINT UTILITY SYSTEM

a component unit of **CITY OF NOME**

P.O. Box 70 • Nome, Alaska 99762 • (907) 443-NJUS • Fax (907) 443-6336

JOB OPENING

NJUS is accepting applications for a position in the Power Generation Department
as an **OPERATOR-MECHANIC**:

Position: POWER PLANT OPERATOR-MECHANIC

Salary Range: \$33.90/hour*, plus retirement, health insurance, leave and other negotiated union benefits
*Salary based on experience and training; if the successful candidate does not have prior relevant power plant or mechanical experience and demonstrated proficiency, hiring will be as "in training" with wages determined as a percentage of the applicable rate with advancement to "full scale" based on on-the-job training and experience.

Hours: Permanent, full time – 40 hours/week
Shift work: Duties as an operator will require working rotating shifts, including afternoons, evenings, staggered relief and weekends. Whenever possible changes in shift is with two weeks' advance notice, but coverage for illness or other absences may result in a shorter notice period. Work as a mechanic will normally be scheduled during the standard Monday-Friday work week.

Closing Date: Open Until Filled.

Brief Summary of Job:

The employee will operate and maintain power plant facilities under the direct supervision of the Power Plant Foreman:

- Monitor system, adjust engine and wind turbine performance.
- Install, maintain and repair mechanical, electrical, communication and auxiliary systems associated with the Department.
- Perform preventative maintenance and repair NJUS vehicles and heavy equipment.
- Support other NJUS Departments periodically.
- Perform other duties as assigned.

Education / Experience:

- High school diploma, GED or demonstration of equivalent proficiency is required.
- Must have a valid Alaska Driver's License and be insurable under NJUS's present insurance rate structure. An annual consent for a release of driving record may be required.
- Appropriate vocational degree and/or certification is desired.
- **Prior operating, mechanic, controls / instrumentation experience at a power plant is desired.**

Applications:

Standard application forms are available from NJUS, City Hall, and Nome Job Service. Completed applications with a cover letter should be delivered to the NJUS Administrative Office located at the old Snake River Power Plant Building, 1226 Port Road, Nome, faxed to (907) 443-2601, or e-mailed to njus@njus.org. Application may also be mailed to: PO Box 70, Nome, AK 99762.

EQUAL OPPORTUNITY:

NJUS is an Equal Employment Opportunity Provider and Employer. Reasonable accommodation will be made available to qualified individuals with disabilities upon request. Applicants are subject to pre-employment drug screening.

POSTED: 11/03/17
