## NSEDC 2016 ENERGY SUBSIDY

Norton Sound Economic Development Corporation's Board of Directors recently approved a one-time energy subsidy of \$575 per household, to be applied to the electric utility bill, for residents in its 15 member communities.

**← THIS ASSISTANCE IS NOT AUTOMATIC! YOU MUST SIGN UP THROUGH NSEDC AS INDICATED ON THE LEFT.**

During February, NSEDC and NJUS will work together to review submitted program applications to confirm eligibility and develop the final list of participants to receive the credit.

**The credit for Nome residents is planned to be applied to March 31, 2016 utility statements and will apply toward the payment due on April 25, 2016. January and February utility statements must be paid by their normal due dates. The subsidy assistance is not retroactive and will not be applied to clear any past due balance.**

**On behalf of our customers – A sincere thank you is extended to NSEDC's Board of Directors for providing this much needed assistance to our customers, and to NSEDC Management and Staff for working cooperatively with NJUS to insure the assistance is extended to as many eligible customers as possible.**

**PLEASE SEE BACK SIDE OF YOUR ENCLOSED STATEMENT FOR INFORMATION RELATING TO CREDIT/DEBIT CARD ACCEPTANCE AND ASSOCIATED FEES CHARGED BY THE CARD PROCESSING COMPANY. INFORMATION ON RECEIVING A FORM TO SIGN UP OR CONTINUE "AUTO-PAY" IS ALSO INCLUDED.**

If we received (prior to 1/26) a new Authorization Form for "Auto-Pay", the "Notes" block near the top of your statement will indicate either: "Paid by Cr Card" if you elected to use a card or "Paid by Bank" if your payment is automatically authorized to come from your checking or savings account to avoid the 2.75% card processor fee.
